*Greeting Leaders and Pastors,*

Let me take this opportunity to introduce myself, I am Bishop Dr. Willie L. Bradley, Presiding Prelate, Anointed Remnant Global Assemblies (ARGA). I want to thank you for considering ARGA as a covering for your life and ministry. Your primary contact moving forward will be Bishop Elect Emmett Johnson. He will make sure you have a full understanding of what discipleship means with ARGA and your requirements.

You have been recommended by Superintendent Natango Whynn as a potential candidate for discipleship with Anointed Remnant Global Assemblies (ARGA). Notice, I did not say membership, because that implies we are a type of religious club; and that's far from what ARGA is. We believe we've been ordained to grow the Body of Christ by mentoring leaders and making disciples of the lost. Thus, our goal is to unite the Body of Christ Worldwide with the support of men and women of God like you.

At this point the most important thing you can do is spend time in prayer before submitting your application with your church and family. As you familiarize yourself with our material we will be praying with you and about our connection. I do believe that God blesses tremendously when we are positioned according to His will and not our wants; therefore, be led by God in your decision.

Again, thank you for submitting your application and I look forward to corresponding and speaking with you in the near future.

To God Be The Glory'

*Bishop W. Bradley*  
ARGA, Presiding Prelate
